

**HONOR STUDENT . . .** Nativity Catholic School eighth grade student Bill Kristufek is shown receiving the Charles Palmer Davis medal from Principal Sister St. Michael. The bronze medal is awarded annually at Nativity School to a boy or girl in the seventh or eighth grade who is outstanding as a student of current affairs and as a citizen of the school. The award is provided annually to primary schools by Wesleyan University and commemorates Charles Palmer Davis who pioneered in publishing newspapers written especially for classroom use.

**Plan to Call Mom?**

If you plan to call Mom on her big day Sunday, have a heart and do it early. R. S. (Dick) Pyle, manager of the Pacific Telephone's Torrance office advised yesterday.

Calling in advance will assure fast service and eliminate delays which sometimes occur because Mother's Day is second only to Christmas in volume of long-distance calls.

Pyle also suggested getting mother's number in advance of the call.

"If she lives a long distance away, don't forget to jot down the area code number, too," he warned.

For example, if mother lives in New York, merely dial the area code (212 for New York) and the long-distance information number 555-1212, he explained.

This method applies to subscribers who have Direct Distance Dialing. If you don't

have DDD, the manager said, you can place the call and obtain mother's number by dialing the operator. Long-distance information is given without charge, he reminded.

**WONDERFULLY BARBECUED TENDER CHICKEN**
